

**Clinician Scientist Keynote Lectures:
Part of the Clinician Scientist Fellowship Programme Structured Training & Annual Meetings**

Speaker: Prof William Powderly, Dean of Medicine, Head of UCD School of Medicine and Medical Science

Title: 25 Years of Clinical Research – structure and serendipity

Date: 30 June 2008 (Structured Training Period 1)

Speaker: Prof Noel Caplice, Professor of Cardiovascular Sciences, UCC

Title: The Clinician Investigator in 21st Century Ireland

Date: 2 July 2008 (Structured Training Period 1)

Speaker: Prof Timothy O'Brien, Professor and Head of Medicine, NUI Galway and Director of the Regenerative Medicine Institute (REMEDI)

Date: 18 September 2008 (Structured Training Period 2)

Speaker: Prof Dermot Kenny, Associate Professor, Director Molecular & Cellular Therapeutics, RCSI

Date: 22 September 2008 (Structured Training Period 2)

Speaker: Prof Dermot Kelleher, Head of the School of Medicine and Director of the Institute of Molecular Medicine, Trinity College Dublin & St James's Hospital

Date: 24 September 2008 (Structured Training Period 2)

Speaker: Prof Matthew Griffin, Professor of Transplant Biology, REMEDI, NUI Galway

Title: Man on Wire - How do you keep your balance as a clinician scientist?

Date: 6 July 2009 (Structured Training Period 3)

Speaker: Dr Christine A. Dingivan, Chief Medical Officer, PPD, Inc.

Title: PK/PD Modeling – model based drug development

Date: 10 July 2009 (Structured Training Period 3)

Speaker: Prof Louise Kenny, Professor of Obstetrics, UCC & Dr Gene Dempsey, Consultant Neonatologist, Cork University Maternity Hospital

Title: A Career in Clinical Research: The Academic Clinician Scientist Perspective & the Full-Time Clinician Perspective

Date: 21 June 2010 (Structured Training Period 4)

Speaker: Prof Eamonn Quigley, Professor of Medicine & Human Physiology, UCC

Title: Opportunism as the Basis for a Clinical Research Career PK/PD Modeling – model based drug development

Date: 23 June 2010 (Structured Training Period 4)

Speaker: Prof Sherine Gabriel, William J. and Charles H. Mayo Professor of Medicine and Epidemiology, Mayo Clinic, MN, US

Title: Heart Disease and Premature Death in Rheumatoid Arthritis: Lessons from Epidemiology

Date: 11 July 2009 (Annual Meeting 2009)

Speaker: Prof David H. Dockrell, Wellcome Senior Clinical Fellow, University of Sheffield

Title: Macrophage cell death is tightly coupled with the performance of microbicidal function during innate immune responses

Date: 25 June (Annual Meeting 2010)
